St. Louis Post-Dispatch - Residents demand answers about radioactive Bridgeton landfill -

10/15/15 - More than 40 years ago, radioactive waste was dumped at the West Lake Landfill in Bridgeton. The decades since have been filled with legal and political moves that have not gotten the site cleaned up. http://www.stltoday.com/lifestyles/health-med-fit/health/residents-demand-answers-about-radioactive-bridgeton-landfill/article_f57aff69-6bf6-5ba8-935b-234019370e3a.html

KSDK Ch. 5 St. Louis - Residents air concerns over smoldering landfill fire (+video) - 10/16/15 -

Hundreds of people voiced concerns Thursday night in Bridgeton about a potential environmental disaster. "Well, the reason I wanted to come here this evening was so I could find out what was really going on," St. Louis County resident MaryAnn Giancola said. <http://www.ksdk.com/story/news/local/2015/10/16/bridgeton-landfill-west-lake-landfill-community-meeting-toxic-waste-fire/74032150/>

KTVI Channel 2 St. Louis- Bridgeton landfill meeting draws big crowd (+video) - 10/15/15 - There was an overflow crowd of worried people Thursday night at a Bridgeton church. It was evidence that citizen support to solve potential problems at two landfills is growing by leaps and bounds. The group Just Moms STL held the meeting. <http://fox2now.com/2015/10/15/bridgeton-landfill-meeting-draws-big-crowd/>

KMOV Channel 4 St. Louis - Residents voice frustration at meeting about Bridgeton Landfill -

10/15/15 - Many residents who live near the Bridgeton Landfill said Thursday they were not aware that there was nuclear waste at the landfill or an underground fire nearby. <http://www.kmov.com/story/30274623/residents-voice-frustration-at-meeting-about-bridgeton-landfill>

St. Louis Public Radio - Awareness, confusion increase over situation at St. Louis County landfills -

10/15/15 - Hundreds of area residents jammed into the John Calvin Presbyterian Church in Bridgeton last night for a meeting about two St. Louis County landfills. Many people at the meeting had never heard of the Bridgeton and West Lake landfills until last week, when St. Louis County made public an emergency response plan describing how it would respond if an underground fire at Bridgeton reaches radioactive waste at West Lake. <http://news.stlpublicradio.org/post/awareness-confusion-increase-over-situation-st-louis-county-landfills>

MSNBC - Fire could reach radioactive landfill in MO (video - 6:59) - 10/15/15 - Ed Smith from the Missouri Coalition for the Environment and photographer Bradley Rayford discuss the smoldering fire that is burning in the Bridgeton Landfill, which is only located about 1000 feet from a radioactive waste landfill - West Lake Landfill. <http://www.msnbc.com/watch/fire-could-reach-radioactive-landfill-in-mo-545260099633>
